Volleyball Team Improving

The 1987 Tyger volleyball team was a team of ups and downs. Finishing with a respectable record of 8-12, the Lady Tygers had nothing to be ashamed of. However, losses to teams such as Lexington and Ashland were disheartening. A major highlight of the season for the girls and Coach Wayne Au was beating Malabar.

End of season awards went to Melissa Enlow, Terri Zellner, and Andi Lagodich for being captains. Beth Jackson was named most valuable, while Missi Hindman was tagged most improved.

Tyger Golf has respectable season

This year's golf team was young but not afraid to take on the big teams. The Tyger's golf team ended up with a respectable season. They were 16-13 and placed third in the Tyger Tournament. The Tygers were led by two of their three seniors, medalist Chris Bottorf and the team's captain Todd Friend, while the younger squad backed them up. Next year's team will still be young, but it will be more experienced.

GIRLS LOOK FORWARD TO LEADERSHIP

The '87 Girls' Tennis Team compiled a record of 5-8, but don't let that statistic fool you, because "the team could have easily gone 10-3," said Coach Diane Spinnati. The first doubles team of Bonnie Parr and Karri Catello made it to the third round of the sectionals.

With a group of five returning seniors coming back to the team next year, Coach Spinnati can only hope that the experience will add success to next year's team.

Bonnie Parr received the Captain's Award, while Joyce Han was named Most Improved.

Cross Country Gains Experience

This year was primarily a rebuilding year for the Sr. High cross country team. They ended up the season with a 10-12 record. Coach Ralph Rawls, who returned from Malabar to keep the Tiger spirit alive, felt that the team didn't end up anywhere near where they would like to have been. He said that in order to be more competitive, they need to compete against more AAA powerhouse teams and also train throughout the off season months. Coach Rawls said, "They did well considering the obstacles they were forced to overcome." He is looking forward to next year's season, which will be led by senior Jeff Gross and junior Troy Bottorf.

Awards went to Shane Riley, Captain's Award; Jeff Gross, Most Improved; and Troy Bottorf, MVP.

J.V.. Frosh Gain Experience On Football Field

The J.V. team was piloted by Coach Kell, and assisted by Coach Moore. The team gained a lot of valuable experience with many first year players. The J.V. players will be moving into the varsity ranks next year, hoping to improve. A high point of the season was an excellently executed hook and ladder play never seen before at Senior High.

The Tyger freshman team compiled a record of 2-2-2. The team showed great promise throughout the season. They were in every game all the way to the end. The team showed composure and pride on the football field. Alonzo Vance and Jerry Lanier were standouts among the Tyger freshmen.

TYGER SEASON FRUSTRATING

The 1987 Tyger football season was one of frustration. Despite being extremely competitive in the new conference, the team finished with a record of 3-7 under the leadership of first year coach Steve Gilbert. Narrow losses to state ranked Ashland (7-6) and Malabar (9-6) typified the season. Despite the record, Gilbert was extremely impressed with the accomplishments of the players during his starting season.

Special post season awards went to Kevin Groff and Jay Vance, Captains' Awards; Jay Vance, Coaches' Award; Eddie Patton, Most Improved; David Hutchison, MVP; and Jason Murray, Jimo Adams Award.
